## **The show runs from 8am to 2pm, set up starts at 6am.**

We do our best to have spaces marked with names, but like the winds in May, we had our difficulties.

There will be food for sale for lunch, and homemade goodies at the bake table.

Rows A, C, D, E, & F, are located on asphalt. The spaces are 20' x 20', the width of two parking spaces. One space in the center, labeled "E & D", is 10' wide and 40' long. You would be able to park your vehicle in one space, and set up from your trunk or tailgate in the other.

Most vendors park across the back of the space and display their merchandise in front.

Row "B" is on the grass at the front of the parking lot, The spaces are 20' wide, but extend a generous 25' into the lawn.

Section "G" is on grass and has irregular shapes, but a minimum of 25' x 22'.

Section "H" is on the grass and the spaces are 25' long and 22' deep.

The shoppers park in the field at the horse ring.

A restroom is located inside Community Hall.

We look forward to seeing you. There were 38 dealers in May, and I hope you can join us in October for another fun Saturday.
